To Whom It May Concern:

Regarding: Dr. Aex WOLF

This letter attests that the above physician is currently a Pediatric Nephrology Fellow in good standing in the ACGME approved Stanford/LPCH Pediatric Nephrology Fellowship Program.

Dr. Wolf started the program, July 7, 2023, is expected to complete all training by July 7, 2026 and will be "Board Eligible" on graduation from our program.

If you have any further questions please do not hesitate to call.

Paul C. Grimm MD

Medical Director, Stanford Children's Health Kidney Transplant Program

Associate Program Director, Pediatric Nephrology Training Program

Professor of Pediatrics,

Division of Pediatric Nephrology, Dept. of Pediatrics

Stanford University School of Medicine
