

Table 1. Average Irradiance From Overhead (Ventral) System With Shielding Variations

Overhead distance	Mean Irradiance, $\mu\text{W}/\text{cm}^2/\text{nm}$			
	No shielding	Mesh swaddle		Nest
30.5 cm	34.4	Under mesh	29.5	34.4
		Under zipper	8.7	
15 cm	45.4	Under mesh	38.5	45.4
		Under zipper	11.3	

Measurements had no variance
