To Whom it May Concern:

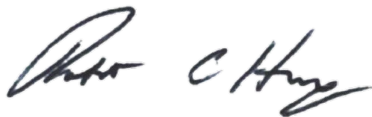

Re: Dr. Karma Abukasm

This letter is in support of Dr. Karma Abukasm to attend the PAS 2025 meeting from April 24 - 28, 2025 in Honolulu, Hawaii, USA.

Dr. Karma Abukasm is a Chronic Kidney Disease Clinical Fellow in the Pediatric Nephrology Fellowship Program at the University of British Columbia and at BC Children's Hospital. She has completed 2 years of fellowship training at the Sainte Justine program in Montreal and is continuing her training with us in Vancouver through a 2-year training program, starting October 1, 2024 and expected completion date on September 30, 2026. She is a learner in good standing with our program and has been approved for conference leave to attend the PAS 2025 meeting.

If further information is required, please feel free to contact me or my Program Assistant, Ms. Alice So, (tel. 604-875-2272 or email aso2@cw.bc.ca)

Sincerely,

Rob Humphreys, MD, FRCPC, FAAP
Clinical Assistant Professor, University of British Columbia
Fellowship Program Director, Division of Nephrology
BC Children's Hospital,
