

To whom it may concern,

This letter is to formally confirm that Elad Resnick is currently a fellow in the Pediatric Nephrology Fellowship Program at the University of Alabama at Birmingham (UAB). He began his fellowship on July 7, 2023 and is expected to complete the program on June 30, 2026.

The Pediatric Nephrology Fellowship program is accredited by the Accreditation Council for Graduate Medical Education (ACGME) and is known for its strong emphasis on clinical training, research, and professional development. We are confident that Elad will continue to demonstrate the high standards of excellence that our fellowship program is known for and will make significant contributions to the field of pediatric nephrology.

If you have any questions or require further information regarding Elad's status in our program, please do not hesitate to contact us.

Sincerely,
Meagan Reagan, MBA
Program Coordinator
