Dear Danny Thomson,

You have demonstrated expected achievement in the 6 ACGME competency domains as defined by the Pediatric Milestones, and in the entrustable professional activities that define Pediatrics. The Clinical Competency Committee of the Pediatric Residency at the University of Colorado Pediatric Program recommends promotion into the PL3 year of training.

Opportunities for improvement:

- No deficiencies noted.

Competency domains where additional documentation of your performance is needed:

- None.

You are approved to continue in a supervisory role

Congratulations on your progress. We look forward to a wonderful 2024-2025.

Sincerely yours,
