

Table 1. Demographic and Post-Graduation Summary of Participants

<b>Characteristics</b>	N = 28
<b>Gender</b>	
Female	17 (60.7%)
Male	11 (39.3%)
<b>Age</b>	
31-35 years	19 (67.9%)
Other	9 (32.1%)
<b>Race</b>	
White	13 (46.4%)
Asian	12 (42.9%)
Black or African American	1 (3.6%)
Multiracial	1 (3.6%)
Other	1 (3.6%)
<b>Ethnicity</b>	
Hispanic	2 (7.1%)
Non Hispanic	26 (92.9%)

<b>Birthplace</b>	
Born in the US	24 (88.9%)
Born outside the US	3 (11.1%)
<b>Elective Participation</b>	
North Dakota elective	12 (42.9%)
Kenya elective	18 (64.3%)
India elective	4 (14.3%)
Virtual elective	7 (25.0%)
Dominican Republic elective	1 (3.6%)
Texas/Mexico border elective	1 (3.6%)
<b>Post-Graduation Employment</b>	
Academic medical center	16 (57.1%)
Government/public health facility	1 (3.6%)
Private practice	1 (3.6%)
Still in fellowship	10 (35.7%)
