

Abstract Submission Site Instructions

NOTE: You will need to [create a new account](#) within the submission system by clicking the “Join Now” button.

Welcome to the 2026 Annual Meeting Submission Site

Members are encouraged to submit original research, teaching, and extension papers. Oral papers or posters should consist of original, completed work that has not been accepted for publication in a journal.

Authors need to be aware of patent considerations before submitting abstracts for publication.

Abstract text is limited to 450 words, excluding title, keywords and any tables. Do not double-space between sentences as this extra space is considered a word in the count.

After the deadline, it will not be possible to submit abstracts. When you submit your abstract, you will be given an abstract ID number and password. Make a note of these; they will allow you to revise your submitted abstract at any time before the deadline. **Please have the abstract ID number on hand when contacting the ASAS office with questions or concerns regarding your abstract submissions.**

SUBMISSION DEADLINE: March 17, 2026

Questions? Organizer: Debbie Zagorski - debbiez@asas.org / (217) 729-7605

First time users need to complete the privacy information policy.

PRIVACY NOTICE

Please carefully read the text below and then indicate your consent at the bottom of the page.

Summary

We are collecting your personal data on behalf of American Society of Animal Science to allow them to manage the submission, review, selection, and scheduling process for your submissions, awards, or grants through our platform. We may share your information with American Society of Animal Science's vendors related to registration, membership, and 3rd party analytics services.

[Full Text](#) (version 897-26277-2335)

[Export](#)

1. What we need

Our Personal Data Protection Policy governs the use and storage of your data. You can see our Privacy Policy at <https://www.gocadmium.com/privacy-policy>. The terms personal data and personally identified data are used interchangeably. American Society of Animal Science is a Controller of the personal data you (data subject) provide us. Cadmium is its Processor. The following types of personal data we collect from you on behalf of a Controller, may include, however are not limited to: Full name, telephone number, position, organization, credentials, membership, member number, login name, department, role, biography, and digital identity (photo).

2. Why we need it

We need your personal data in order to allow the Controller to manage the submission, review, scheduling or administration of your information through our software systems.

3. What we do with it

Your personal data is processed on AWS and Rackspace servers located in the United States. As requested by American Society of Animal Science, we may share your information with American Society of Animal Science's vendors related to registration, membership, and 3rd party analytics services.

4. How long we keep it

According to our Data Retention Policy, we will keep your personal data for a period of 6 years from the last date we process your data on behalf of the Controller. After this period, your personal data will be irreversibly destroyed or anonymized. Any personal data held by us for marketing and service update notifications will be kept by us until such time that you notify us that you no longer wish to receive this information.

5. What are your rights?

Should you believe that any personal data we hold on you is incorrect or incomplete, you have the ability to request to see this information, rectify it or have it deleted, by contacting the Controller.

Consent

I have reviewed the privacy notice above and consent to the processing of my data. I am aware and I was informed that I may withdraw my consent at any time by contacting the Data Controller.

Enter your e-signature

Please type your full name on the line above

Abstract Requirements

The author submitting the abstract is responsible for its content and the quality of the preparation.

Abstracts are required for all general presentations and all student competitions. Invited Speakers are not required to submit an abstract.

Individual Program Committees have the responsibility of accepting or rejecting abstracts. Criteria for acceptance or rejection will include those outlined in these instructions and the "Quality Standards for Abstracts" document, as well as originality, clarity, and merit. Consolidation of results into one combined paper is urged whenever possible.

NOTE: Abstracts will only be accepted or rejected. There will be no revisions after the deadline.

The Overall Program Chair has the authority to restrict the number of abstracts accepted. The Program Committee Chairs have the authority to restrict the number of presentations per presenter. However, there is no limit on the number of abstracts an individual may submit. **Note: the presentation format you request may not be the format assigned to an accepted abstract.** Individual Program Committee Chairs have the prerogative of placing papers submitted for oral presentation into a poster presentation, or vice versa.
