

Acknowledgement of Authorship and Responsibilities

SHM Scientific Abstract Competition

As part of your submission, the submitting author must review and acknowledge the authorship, submission, and presentation responsibilities that apply to the abstract.

Important: If you will not be the onsite presenter, you are responsible for communicating the presentation expectations below to the presenting author.

Please review and confirm the statements below to complete your submission.

1. Authorship & Submission Responsibilities

- I have read, understand, and will comply with the abstract guidelines.
- I acknowledge that it is my responsibility to obtain all required permissions and disclosures for this abstract.
- **I have included all necessary authors** and understand that no additions to the author list will be possible after submission.
- I acknowledge that, if accepted, this abstract will be published in a supplement of the Journal of Hospital Medicine and will comply with copyright requirements.
- I understand that all communications will be sent only to the submitting author by email, and that the submitting author must share relevant communications with the other authors.
- If accepted, the submitting author is responsible for accepting or declining the invitation, withdrawing the abstract when necessary, and informing the other authors.
- Whenever possible, the first author is expected to present the abstract if accepted.

2. Presenting Author Requirements

I acknowledge that the presenting author:

- **MUST register to attend the meeting** and pay all associated fees, in addition to abstract submission.
- **Must be a member of SHM** or become a member prior to the meeting.
- **Is NOT exempt from these requirements** because they are a resident or fellow.
